Summary: A collection of short poems. (Based off Tuffnut's attempt of pleasing Dagur in "A View to a Skrill Pt.2")

1. Berserkers

There once was a clan deemed Beserk,
Headed by a young Viking jerk,
Visiting them would be chilling,
Because it would end in killing,
And they would all go on a...rampage?

2. Outcasts

There once was an island full of Outcasts,
Run by a man who desperately needed a mask,
Getting caught by him would be scary,
But alas, he would be quite merry,
Because you'd be the key to...Power?

3. The Red Death

There once was this thing called the Red Death,
And I can assure you, it had bad breath,
Hiccup and Toothless saved everyone that day,

...Or so they say,

Because no one dared to ask questions...after the battle.

4. Berk (Nice Version)

There once was a village called Berk,

Run by people who liked to work,

Meeting them would be thrilling,

And it would be exhilarating,

Because we'd finally be able to...fly?

5. Breakneck Bog

There once was a place called Breakneck Bog,

Overrun by dragons who act like hogs,

Finding them would take you off track,

Unless you were looking to take something back,

Because of these dragons' habit to...steal?

End
file.
